Like a thief in the night

Constipation swoops down upon you and, before you know it, has you in its grip. It is all the more dangerous because it is so insidious. But it works feebly, slowly but surely laying the foundation for serious diseases. The usual cathartics aggravate the condition. For a while they seem to help, but soon you find yourself worse off than before you took them.

PANCOLATE

is not an ordinary laxative. It is far more than a physic. It reaches the cause, and, while it has a pleasant laxative effect from the start, eventually it overcomes the most stubborn cases. Start taking Pancolate today. You will find it in its boxes of 12 tablets for 25c, or in bottles of 50 for \$1.00. The Pepplo Co., 117 E. Colorado St., Pasadena, Calif.

First at the get-away First on the straight-away

No car in the Victory price class can match the all around brilliance of Victory performance.

The Victory is first at the get-away and first on the straight-away—faster on the hills, faster in traffic—smoother on rough roads.

And accelerates as no other car at the price has EVER done: 5 to 25 miles in 7 1/4 seconds! 10 to 45 miles in 13 1/2 seconds!

The public discovered all this even as the stop watch proved it.

More power per pound of car weight made it possible. Rugged Dodge construction made it practical. And the Victory's unusual design made it SAFE.

For the Victory gravity center is lower and there is no body overhang... The chassis frame is the full width of the body—and the body sills are eliminated.

Exceptional charm of line and more headroom and seat width are further vital results of this unique construction.

Drive the car today and make your own comparisons!
